

## ASIAN AMERICAN CHURCH PLANTING NETWORK

Paul Kim, D. Min.

Asian American Relations Consultant

Executive Committee, SBC

### Goal

To team up with several Asian American churches in the city to reproduce new churches under the team coordinator:

- Monthly prayer rally and encouragement among pastors & church leaders - 1st Monday each month
- Semi-annual church planting and growth seminars - Spring & Fall
- Annual church planting and missions conference with speakers - January

Larger Asian American churches to adopt smaller churches as a family in the State Convention for revitalization and growth:

- Encourage new church planters and house churches
- Support seminary students
- Partnership within the denomination in unity and cooperation for the Great Commission

To mentor younger generations born in the U.S.:

- Train them up as leaders to be pastors, church leaders, missionaries, educators, and God-called professionals
- To take our baton in full scale of English ministries to lead next generations
- To send God-called young people to our Baptist seminary with full financial scholarship
